SUMMARY

Synopsis of Bill

Senate Bill 434 appropriates \$50 thousand from the general fund to the Children Youth and Families Department (CYFD) for a task force for the out-of-school time program. The bill would continue the work of the New Mexico Out of School Time Network, a task force established in response to a previous legislative memorials to study out-of-school time issues among New Mexico youth and communities.

Significant Issues

The New Mexico Out-of-School Time Network is one of 25 statewide after-school networks in the country, focused on expanding and enhancing after-school programming on a statewide level. Previous legislation (SJM 5 of 2001 and SM 6 of 2003) was enacted to study out-of-school time in New Mexico. SJM 5 commissioned an assessment of public investment in out-of-school time programming but did not track Title I funds. Further assessment to include Title I and local government funding would add important data to the study.
